Geer, Inc.

Geer Village, a 118-unit retirement community providing residential living apartments for Independent, Assisted Living and suites for the Memory Impaired, is one of the most innovative retirement communities in the country. Built in turn-of-the-century shingle style with a stone fireplace in the great room entrance, it houses a variety of intergenerational activities. The Northw4stern YMCA, Channel II Cable Television, and the Regional Community Center are located at Geer Village, making access easily available to all its residents. Great Barrington (Massachusetts), Torrington (Connecticut) and the nearby destination towns of Sheffield, Salisbury and Litchfield provide many cultural and sightseeing day trips for Geer Campus residents.

Respite Care

Effective, sustainable caregiving depends on meeting the caregiver's own needs for nurture, reassurance, support and periodic respite. Respite care provides caregivers with needed time off from their caregiving responsibilities to relieve stress and burnout.

Respite care is provided in a variety of ways at Geer. If your family member is mobile, the Geer Adult Day Center provides a good respite for a tired caregiver on a daily basis, up to five days per week. If your loved one requires some assistance with activities of daily living, (i.e.: bathing, dressing, mobility assistance, feeding, medication management, etc.) then a short stay at Geer Village Assisted Living or Geer Nursing and Rehabilitation Center may be the answer.

To find out which respite service best fits your needs, contact Lynnea McLane at **860-824-5137**.
